

salomone

cabernet sauvignon

Classification: Cabernet Sauvignon Umbria
Indicazione Geografica Tipica

Grape variety: 100% cabernet sauvignon

Vineyards: spurred cordon with 5,000 vines per hectare; altitude 450 m s.l.m.; average yield per hectare 6000 Kgs.

Vinification: vinified in steel tanks at a controlled temperature.

Aging: French oak barriques for about 12 months.

Tasting notes: ruby red colour; intense aromas of ripe red fruits with hints of tertiary notes of leather. Intense and persistent taste, with a characteristic softness.

Pairings: Perfect with game and mature cheeses.

Serving temperature: 18°C
